BUSTING OUT!

Presented by: Andrew Guild & Simon Bryce

The show that has the whole of Australia talking is finally coming to New Zealand!

Seen by over 200,000 Australians in the last 18 months, Busting Out! is the show that literally has women cheering on their feet and men gasping with amazement! Starring Emma Powell (last seen in New Zealand in the sold out production of Mamma Mia) and Australia's number one comic, Bev Killick, Busting Out! is packed with bouncy songs, sidesplitting characters and fascinating demonstrations of the lesser known uses of your drooping assets.

"Tasteful, clever liberating and laugh-out loud funny!" Sydney Morning Herald
"Must be seen!" The Melbourne Age
"Clever, Creative and hilarious... Emma Powell and Bev Killick are a sassy force which had the audience howling with laughter... Simply put, Busting Out! Is one of the funniest things I have seen." The West Australian
