Miss Saigon

A riveting love story, the long running Broadway and West End blockbuster, based on the Madame Butterfly story. Highlights include the evacuation of the last Americans in Saigon from the Embassy roof by helicopter while a crowd of abandoned Vietnamese scream their despair, the victory parade of the new communist regime and Saigon's frenzied night club scene on what is musically described as The Last Night of The World.

Marriage of Figaro NBR NZ Opera

Mozart's much-loved opera The Marriage of Figaro is a rollicking tale of love, lust and long-held secrets: a high farce that was also deeply subversive for the times. The action takes place over one crazy, passion-fuelled day full of plots, double crosses and seductions. In this brand new production New Zealand bass Wade Kernot sings Figaro, with celebrated Italian soprano Nuccia Focile as the Countess.
